

# NCADE SPRING NEWSLETTER

2017

FROM YOUR PRESIDENT:

JENNIFER LEIGH

DEV ED WILL CONTINUE ITS GREAT WORK!

I want to begin by thanking each of you for all you do to keep Developmental Studies such a success for **our students**.

We know that Developmental Studies is so much more than just teaching (NOT remediating) our students in content areas. Our students need us to teach them HOW to be successful college students AND people. So many of our students are coming to us underprepared, and it is our

honor to help guide them on a successful path.

WE know we truly make a difference which is why at our Fall Conference (which was

DEV  
ED  
WORKS!

held in conjunction with the system conference in Raleigh this past year), NCade made our presence known with the slogan "DEV ED WORKS!" written on t-shirts, buttons, and koozies. I do believe it worked! I am proud to be a Developmental Educator

## CCRG UPDATE

Planning for the implementation of College and Career Ready Graduates (CCRG) legislation is ongoing and guided by the system office. Currently, there are seven schools working with high school partners on a variety of approaches to provide high school seniors remediation that will provide them the opportunity to be college ready upon graduation. Those schools are Pitt, Davidson, AB Tech, Alamance, CPCC, Randolph, and Brunswick.

There are three regional information sessions between March 15 and April 3. All colleges were invited, along with all school districts in the state. Hopefully, your college or even you were/are able to attend. These sessions did/will include representatives from current model college/high school partnerships who will share information about how to begin a partnership, what costs are involved, what decisions need to be made, and how to implement the final CCRG solution.

In the Fall of 2017, CCRG will enter Phase II of the project. Colleges interested in participating will have the opportunity to adopt a model to implement with at least one high school partner. This will allow Phase II colleges to be a step ahead before full implementation of the legislation across the state in Fall 2018. If your college is interested in participating in Phase II, please contact Laura Kalbaugh ([lmkalbaugh@waketech.edu](mailto:lmkalbaugh@waketech.edu)) for more information.

The latest updates on CCRG will be discussed more in depth at our NCADE 2017 Fall conference in Greensboro, October 4-6.

## See How Good We Are!!

### Congratulations to NADE Certified GASTON COLLEGE!

Our very own Gaston College was recognized and honored at this year's NADE conference in Oklahoma City for becoming NADE-Certified! Way to REPRESENT NC, Gaston!!! We are so proud of all of your hard work!!

### Hip! Hip! Hooray! for our WESTERN PIEDMONT! NADE's pick for Outstanding Educational Program!

After winning the NCADE award for Outstanding Educational Program, Western Piedmont went on to impress the NADE board and took the coveted award at the **National** level! This is why "I like calling NCADE home!"

### KRIS DEANGELIS: Recipient of NCADE's Hilda P. Barrow Developmental Educator of the Year award!

NCADE's webmaster and Central Piedmont's amazing educator was rightfully awarded this noble award at our fall conference!

## Your Turn... Nominate Those Who Dominate!

Everyone likes to be recognized for all he/she does to make a difference in students' lives as well as making a difference in Developmental Education. So many awards sadly go unclaimed every year! Don't let this happen!! NCADE offers many awards for faculty, programs and alumni. Follow the link to see all the awards NCADE offers, and nominate someone today!
