Co-req. classes

# HOW THE COURSE WAS CREATED

## Strategy

Formed Groups: (Lead; 2 Dev. Ed instructors; gateway instructor)

Match the developmental concept with the learning objective from the gateway course

Create a schedule to attempt to present the Dev. Ed. concept simultaneously as gateway object

Workbooks (Learning objective, guided practice and in class exercises)

Discussed which courses (if any) should be offered in computer lab

# COURSE LAYOUT

Course meeting time varies (dependent on course hours required)

No Homework given (out of class work)

Group work encouraged on some lab assignments

Some students from the co-req. are in the gateway course

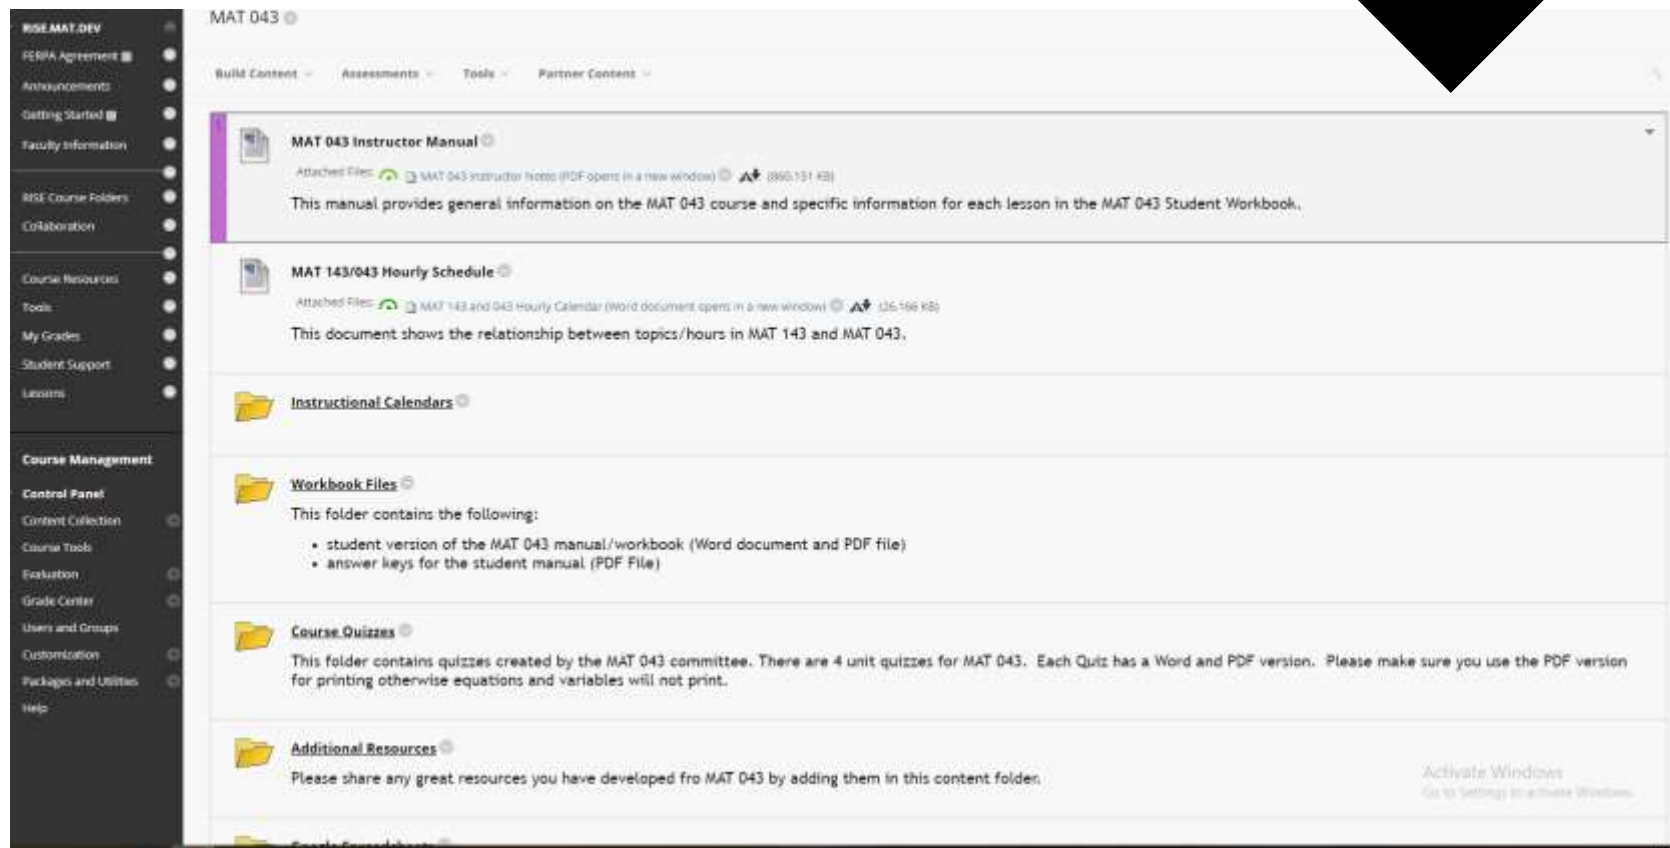

Study Skills are important

What we  
encourage

# MASTER SHELL OF MAT-043

Bb  
Shell

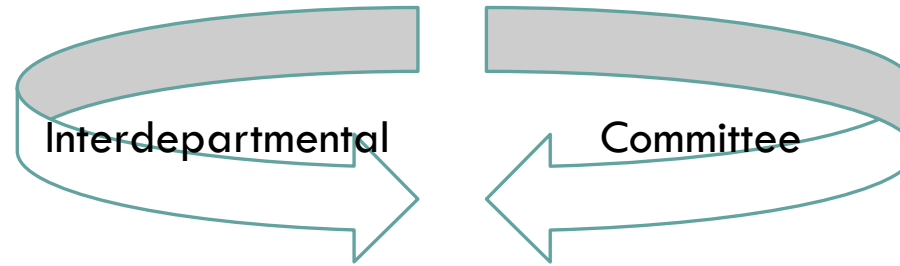

The screenshot displays the Bb Shell interface for the MAT 043 course. On the left is a dark sidebar with navigation links such as 'RISE.MAT.DEV', 'FERPA Agreement', 'Announcements', 'Getting Started', 'Faculty Information', 'RISE Course Folders', 'Collaboration', 'Course Resources', 'Tools', 'My Grades', 'Student Support', 'Lessons', 'Course Management', 'Control Panel', 'Content Collection', 'Course Tools', 'Evaluation', 'Grade Center', 'Users and Groups', 'Customization', 'Packages and Utilities', and 'Help'. The main content area is titled 'MAT 043' and includes sub-navigation for 'Build Content', 'Assessments', 'Tools', and 'Partner Content'. The content is organized into several sections:

- MAT 043 Instructor Manual**: An attached PDF file (890,131 KB) providing general information on the course and specific details for each lesson in the student workbook.
- MAT 143/043 Hourly Schedule**: An attached Word document (15,156 KB) showing the relationship between topics/hours in MAT 143 and MAT 043.
- Instructional Calendars**: A folder containing instructional calendars.
- Workbook Files**: A folder containing:
  - student version of the MAT 043 manual/workbook (Word document and PDF file)
  - answer keys for the student manual (PDF File)
- Course Quizzes**: A folder containing quizzes created by the MAT 043 committee, with 4 unit quizzes for MAT 043. Each quiz has a Word and PDF version. A note advises using the PDF version for printing to ensure equations and variables are visible.
- Additional Resources**: A folder intended for sharing resources developed for MAT 043.

An 'Activate Windows' watermark is visible in the bottom right corner of the screenshot.
